

## **Green Acres Golf Calcutta Tournament Rules**

1. Tournament will be 27 of Golf with all holes counting for score. Played in a scramble format.
2. Tournament will be 9 holes played; flight cuts will be determined based on that score. Final 18 to be played after the Calcutta Auction.
3. Calcutta Auction will then take place between the 9 and 18 hole rounds with each team going up for auction.
4. Calcutta money will be based on total Calcutta money paid for the teams in that flight.
5. Once a team is purchased, the buyer will have the opportunity to buy any other team left unpurchased for the same price they just paid for that team.
6. If a team is not purchased by themselves, they will have the opportunity to buy up to half of themselves back from the purchasing team, and split any Calcutta earnings based on that % of buyback. This must be done before you leave the clubhouse to start your 18-hole round.
7. If any team shoots themselves into the paying scores of the flight above them they forfeit any tournament winnings but will still be eligible for all Calcutta earnings.
8. Tournament earnings will be paid out at 100% of Entry fees.
9. Calcutta Payout will be paid out at 90% of Calcutta money
10. Skins will pay out at 100% of the skin money and if no skins are won, 1 player from each team will represent the team and hit a ball from 100 yards into #9 green and the closest ball to the pin, on the putting surface, wins all the skin money.
11. All players will play from the same tees.
